ADDITIONAL CARE RECOMMENDATIONS

You should;

1. Read and follow all care instructions provided with your Television.
2. READ and OBSERVE all conditions for mounting the Television on furniture or walls. Failure to do so may cause the Television to fall and be damaged. If in doubt contact your reseller for a suitable installation professional, who can provide this service for a fee.
3. DO NOT CLEAN THE TELEVISION GLASS PANEL with anything other than a soft cloth that has been dampened with a weak mixture of mild detergent & water. (Squeeze the cloth until no water is expelled). Use of stronger cleaning agents risks damaging the glass coating and causing a blotching effect, which is not covered under warranty.
4. IF PURCHASING THIS TELEVISION FOR COMMERCIAL USE, discuss your usage patterns with an AV authorised service centre to determine if a preventative maintenance program should be purchased to support your requirements. This is especially important where this Television is used in a tropical environment, or if the Product is subject to routine movement.
