

Portable DVD Player

SDP92SKY

Catch up on those movies you've been meaning to watch, even when you are away from home. This portable DVD Player from Toshiba, with a convenient 9" swivel screen and up to 3 hours battery life makes traveling with your multimedia a breeze.

Key features:

- **9" (measured diagonally) Widescreen TFT LCD** with 640x234 resolution makes a great viewing experience possible, even on the road.
- **Up to 3 hour* lithium battery life** is convenient for travel and powerful enough to last the duration of the average movie without requiring recharging.
- **Being an Official DivX® Certified** product**, it plays all your DivX media files from both Disc & SD Card.
- **Use it as a display device** for your photos or listen to your MP3 files through the convenient SD card slot***.
- **Switchable Audio/Video Input and Output** for connection to an external television. You can also use the screen and speakers as the display device for a digital camera or camcorder.

* Battery life and number of charge cycles will vary depending on use and settings.

** Some DVD-R/DVD-RW and CD-R/CD-RW discs may be incompatible due to laser pick up and disc design. CD-R/CD-RW discs must be recorded using CD-DA method for CD audio playback.

The DVD player may not support some MP3/JPEG/DivX recordings due to differences in recording formats, disc structure, or condition of the disc (use of CD-RW for MP3 files is not recommended). See owner's manual for more information.

*** Some memory cards may not be played back due to its capacity and/or manufacturer.
